

New Zealand Weddings

Content Management System

The simple content management system is designed to enable the quick and easy changes to website page text = similar to using MS Word.

There are limitations in this CMS though, you cannot add pages to the website or change the header and footer content or the right panel. If you need these changed please give me a call. For this reason the CMS is designed to ensure you can easily change the page text without upsetting the website itself!

Accessing the CMS

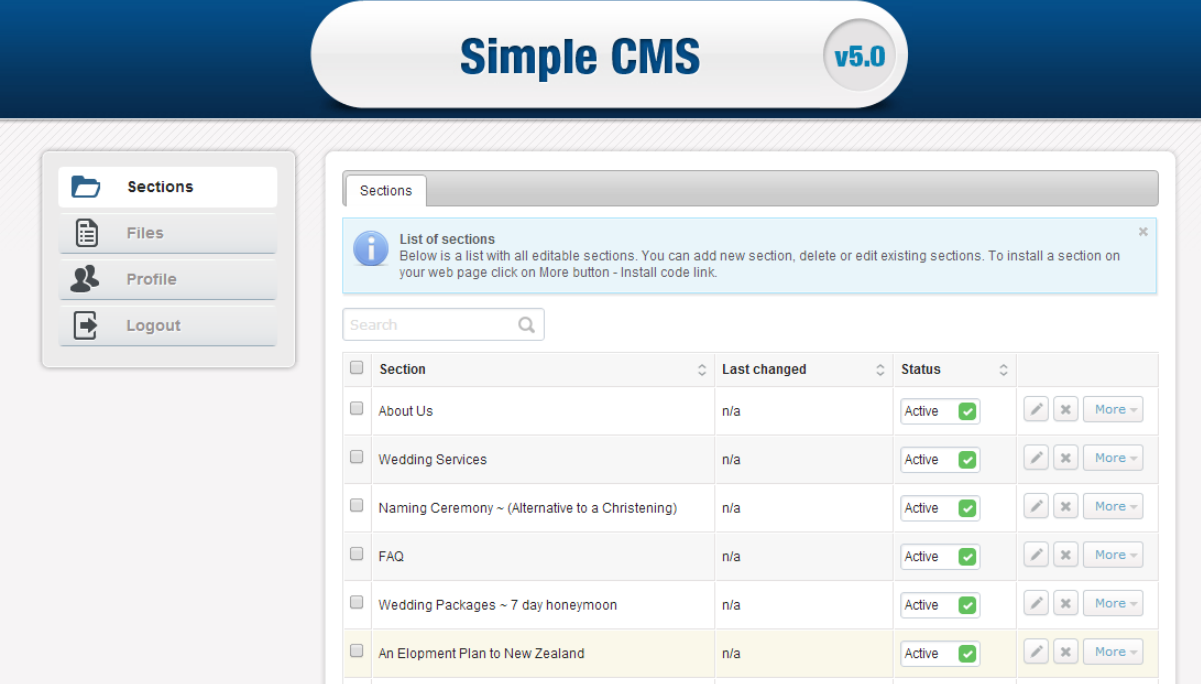

Click the following link using the login details below

<http://weddings-nz.co.nz/cms/index.php>

User_email: shirleanmcc@gmail.com

Password: pass

You will see the following screen

The screenshot displays the Simple CMS v5.0 interface. On the left is a navigation sidebar with options: Sections, Files, Profile, and Logout. The main content area features a 'Sections' header, an information box about the list of sections, a search bar, and a table of sections. The table lists sections such as 'About Us', 'Wedding Services', 'Naming Ceremony ~ (Alternative to a Christening)', 'FAQ', 'Wedding Packages ~ 7 day honeymoon', and 'An Elopment Plan to New Zealand'. Each section is marked as 'Active' and includes edit, delete, and 'More' options.

Section	Last changed	Status	
<input type="checkbox"/> About Us	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾
<input type="checkbox"/> Wedding Services	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾
<input type="checkbox"/> Naming Ceremony ~ (Alternative to a Christening)	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾
<input type="checkbox"/> FAQ	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾
<input type="checkbox"/> Wedding Packages ~ 7 day honeymoon	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾
<input type="checkbox"/> An Elopment Plan to New Zealand	n/a	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/> More ▾

This page displays the pages you can edit on the right.

Editing a page

To edit a page click the pencil icon to the right of the page you wish to edit

The screenshot shows a web editor interface. On the left is a sidebar with navigation options: Sections, Files, Profile, and Logout. The main content area is titled 'Update section' and shows the section name 'About Us'. Below this is a rich text editor with a menu bar (File, Edit, Insert, View, Table, Tools) and a toolbar containing various editing tools like undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, image, print, and preview. The editor contains the following text:

There are some beautiful places for a wedding ceremony either among the roses in a beautiful park, on a lake shore with the sacred peaks of the central north island mountains as a backdrop for your photographs. You can marry on the snow on those magical peaks. At NZ WEDDINGS will find the location of your choice and design a package especially for you. No wedding is ever the same as another, as each individual has specific ideas on how their ceremony and the venue should be. It is the stuff of dreams. NZ WEDDINGS will do all they can to make your dreams come true.

We will arrange:

- Documentation
- Courier of Marriage and Apostille Certificates to your home country address.
- The Celebrant (civil celebrant or priest/minister.)
- Photography - A professional photographer or you can choose to have an expert use your digital camera, the disc is yours to take with you.
- Bridal transport if required.
- Flowers (you choose what type of flowers and their colour.)
- Cake with complimentary wine.
- Wedding luncheon or dinner depending on the time of day you choose to have your ceremony

Once you become a client of ours we will work together via the net to understand your needs, develop your customised plan through to meeting you when you arrive. We will also

The available text is displayed with options to modify the text within the editor.

Click the preview button to see the results of your efforts.

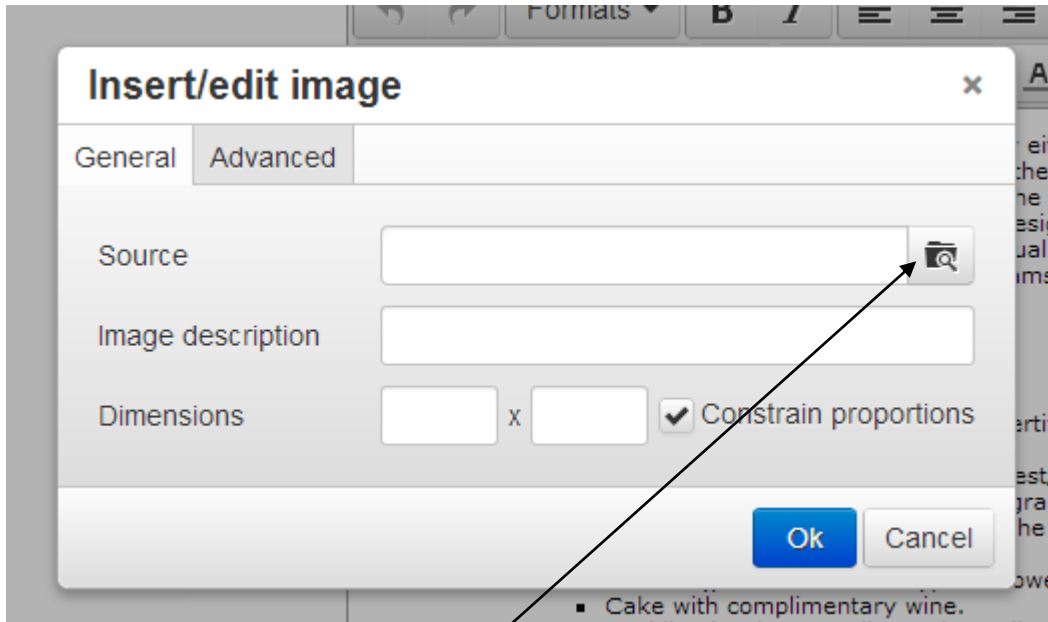

Click the undo button to remove the changes if they don't look right.

When you have finished the changes click the save button at the bottom of the page.

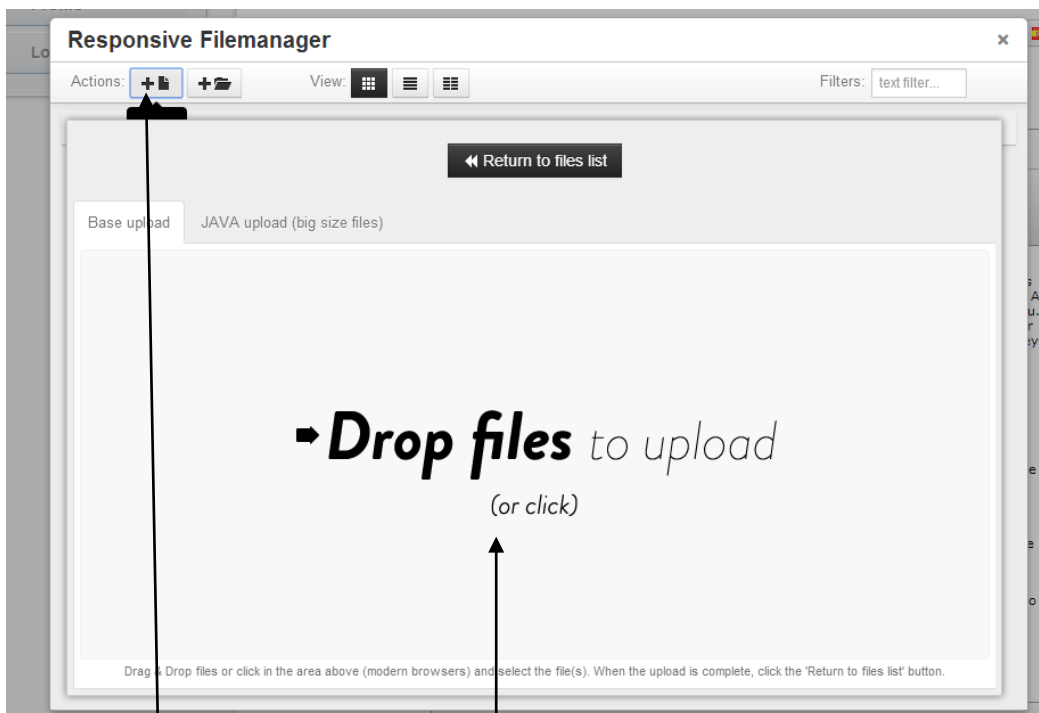

Adding an image

Place the mouse cursor where you wish to add an image

Click the Edit/Insert image button 

To insert a new image click the file icon

Click the +Folder button

Drag and drop an image from your pc folder or click the screen to open your folder list to select an image
